## The Grand Old Duke of York

He had ten thousand men  
He marched them up to the top of the hill  
And he marched them down again!  
And when you're up, you're up  
And when you're down, you're down  
And when you're only half-way up,

**Early Literacy Skill**

Singing songs that name things in  
your child's environment (body  
parts, animals, food, etc.) helps  
build his/her vocabulary.  
Having a large vocabulary is one of  
the skills children need when they  
later learn to sound out words.
