Briefly tell us a little about yourself: experiences, interests, hobbies, information that will help us get to know you.

At the Henrietta Public Library there are a variety of tasks that help support our library collections. Here are some of our most needed tasks; please indicate which are of interest to you.

- Processing Materials- This includes preparing new library materials for the shelves by labeling, taping, and covering.
- Mending Materials- This includes repairing materials that are slightly damaged so they can remain in the collection.
- Shelving Materials - This includes shelving adult materials that have been recently returned and sometimes requires pushing full book carts around the library. It also involves reaching and bending while shelving the items.

Are you available to volunteer at a regular time on a weekly basis for 1-2 hours? _____
